

Federal Election Promise Tracker

Stay informed on where each party stands on small business issues!

Using the legend below, we will be tracking political promises that align with our Small Business Election Platform.

Our legend is as follows:

- Yes - The party's promise matches our recommendation.
- No - The party is not making a promise that aligns with our recommendation.
- Somewhat - The party's promise partially aligns or takes a similar approach.

Disclaimer:

This is our interpretation of how each party aligns with the recommendations in our [small business platform](#). We invite you to read the full platforms yourself.
